## PRODUCT SAFETY GUIDELINES

- EN** - Please use and store this product in a room temperature-controlled environment.
- Please use this product with CORSAIR-approved accessories only.
  - DO NOT use this product in a confined space, or cover or block any ventilation openings.
  - DO NOT use near liquids or expose this product to liquids. If this does occur, power the product off immediately.
  - DO NOT insert foreign objects into any openings on the product.
  - Visit the CORSAIR website at [www.corsair.com](http://www.corsair.com) to download the Quick Start Guide.
  - Do NOT use CORSAIR-approved accessories with any other products.

- FR** - Utilisez et conservez ce produit dans un environnement tempéré.
- Utilisez uniquement ce produit avec les accessoires approuvés par CORSAIR.
  - N'utilisez PAS ce produit dans un espace confiné et n'obstruez pas les ouvertures de ventilation.
  - N'utilisez PAS ce produit à proximité ou en présence de liquides. En cas d'exposition à des liquides, éteignez immédiatement le produit.
  - N'introduisez PAS d'objets étrangers dans les ouvertures du produit.
  - Rendez-vous sur le site Web de CORSAIR à l'adresse [www.corsair.com](http://www.corsair.com) pour télécharger le Guide de démarrage rapide.
  - N'utilisez PAS les accessoires homologués par CORSAIR avec d'autres produits.

### FEDERAL COMMUNICATION COMMISSION INTERFERENCE STATEMENT

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) This device must accept any interference received, including interference that may cause undesired operation.

**FCC Caution:** Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate this equipment.

**EN** This Class B digital apparatus meets all requirements of the Canadian Interference-Causing Equipment Regulations.  
CAN ICES (B)/NMB (B)

**FR** Cet appareil numérique de la class B respecte toutes les exigences du Règlement sur le matériel brouilleur du Canada.  
CAN ICES (B)/NMB (B)

**RECOMMENDATION:** Connect the keyboard or mouse to the USB source that is less than 15W (PS1 level).
